**Dear Pool Patrons,**

The Lebanon Community Pool greatly appreciates your attendance at our facility and values your opinions.

In partnership with Western University of Health Sciences, the pool will be collecting information to evaluate the impact of the aqua yoga class and how it impacts your overall quality of life. The surveys will be completely anonymous, and you are free to choose not to participate at any time. This will have no impact on your membership or ability to participate in any of the programs at the Lebanon Community Pool.

We invite you to participate in our weekly Wednesday 9 AM Aqua Yoga Class starting on April 10<sup>th</sup> and ending on May 29<sup>th</sup>. **Surveys will be conducted post-class on April 10<sup>th</sup>, May 1<sup>st</sup>, and May 29<sup>th</sup>** in our conference room with refreshments provided.

If you have any questions or concerns, please contact either the Lebanon Community Pool management or our Western University Student Researchers. We are happy to answer any of your questions.

We are looking forward to all of you who are interested in participating and providing feedback to improve future **inclusive** programming at the Lebanon Community Pool.

Kind regards,

**The Lebanon Community Pool Management and Western University Student Researchers.**
